Mike-

Sorry I didn't get back to you yesterday, but left work around 11am. I've attached a copy of my latest CV to this email. I also see that you called the lab and want me to call you back - I'll give you a try a little later since I doubt you are in at the moment. Or you can give me a try when you get in at your convenience. I am on call for 2 cases in Springfield and 1 in Holyoke today, though, so I may be leaving the lab mid-morning or so.

Ms. Farak:

I have an upcoming case in which you analyzed the heroin submitted by Montague P.D. The defendant has indicated that he is going to enter a plea to the charge against him, however, I need a copy of your CV for discovery compliance. If you could either e-mail it to me or fax me a copy when you receive this e-mail I would appreciate it. The fax number in our Greenfield Office is 413-773-3278.

Thank you,
